### Attention Hospital and Nursing Facility Staff - Review On-Demand Training on Recent Level of Care Form Updates

The State of Indiana Family and Social Services Administration (FSSA) has issued minor errata-driven updates to the interRAI Level of Care form. These changes impact required documentation elements supporting Level of Care determinations and approval durations.

*Note: These updates will not change submission workflows or referral processes but do clarify documentation expectations.*

**Download the informative video and PDF guide links below to walk step by step through these changes.** Providers are encouraged to review these materials prior to completing new Level of Care documents to ensure alignment with updated guidance.
